Equality Before The Cross | James 2:1-13**

**1. How does loving God with all your heart, soul, and mind enable you to love your neighbor as yourself?**

**2. Why do we all stand as equals before the foot of the Cross? How does acknowledging our common need help us to think about the plight of our neighbor?**

**3. Think about some ways you can better practice empathy and show sympathy to your neighbor. What are some Gospel truths from Scripture that can help you meet the needs of your neighbors. Finally, in light of the truths identified, what are some things that are in the world or in your life that you should be against (Note: Answer this question last and after you have resolved to love your neighbor well).**
